3.6 Unemployed Parent

For purposes of determining whether a child is deprived on the basis of the unemployment of a parent, the agency--

- uses the standard for measuring unemployment which was in the AFDC State plan in effect on July 16, 1996.
- \underline{X} uses the following more liberal standard to measure unemployment:
 - A person is considered unemployed if the income after deductions is less than the eligibility standard. Two parent families are treated the same as one parent families.
